Homeowners Association

Inspection Notice

RECEIVED
8/2009

Dear Park Mediterrania Resident,

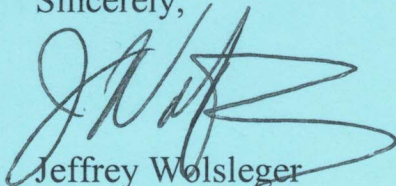

The Association has recently retained Elite Pest Management to perform termite inspections and eradication. Due to the association being very diligent in their allocation of expenses, this service has been made possible.

Elite Pest Management will be performing the annual termite inspection at your home/community on Monday September 14, 2009, Tuesday September 15, 2009, and Wednesday September 16, 2009. Arrival times for this inspection will take place between the hours of 9:00 AM and 2:00 PM daily. We ask that you make your home available on any day for inspection. This service will not require you to prepare or vacate, and will only take a short time. The inspector will be looking for signs of termites, dry rot, and other wood related problems.

If you would like to schedule a specific appointment time during the above noted inspection schedule, please contact Elite Pest Management directly at (877) 535-4833 to make your appointment.

Thank you for your cooperation.

Sincerely,

Jeffrey Wolsleger
