MEMBERSHIP MEETING AND VOTING RULES
(CIVIL CODE SECTION 1363.03)

Effective January 1, 2007

1. Secret Ballots. The Association will utilize a secret ballot, as described in these rules and as required by Civil Code Section 1363.03, for,
 - a. Elections to and recalls of the Association's Board of Directors.
 - b. A vote of the membership regarding assessments as may be by Civil Code Section 1366
 - c. Amendments to the governing documents that require membership approval.
 - d. Prior to granting exclusive use of common area property where required by Civil Code Section 1363.07
 - e. Any matters where a secret ballot vote is required by law.
2. Membership Meetings, Annual Meeting and Election of Directors.
 - a. The Association will hold an Annual Meeting of the members to elect Directors and to conduct Association business. The annual Meeting is generally held in the month of January.
 - b. The Board of Directors consists of 6 Directors (By-laws, Art. V, Sec.1.). Directors are terms are 2 years long and are staggered so that three terms are up each year (Bylaws Art.V, Sect. 2). Directors must be elected by secret ballot and cannot be elected by voice vote or show of hands at the Annual Meeting.
 - c. Prior to the Annul Meeting, the Nominating Committee will distribute a request-for-candidates form, to candidates seeking for the Board. The form must be completed by the candidate and received by the Association by the deadline stated in the form in order to ensure the candidate's name appears on the ballot. Regardless of whether a candidacy form was completed, any candidate may still be nominated by himself, herself or by someone else from the floor of the Annual Meeting.
 - d. The candidacy form will include the opportunity for each candidate to submit a 150-word written statement reasonably related to the election, including advocating a point of view. Candidate statements received on a timely basis will be included with the Association's mailing of the notice and ballot materials. The Association will not edit or redact these statements but may include a statement specifying that the candidate is responsible for that contract.
 - e. Meet the Candidates Night – The Association may hold an informal gathering prior to the Annual Meeting. All candidates may participate, including those who did not submit a

candidate's form but who have advised the Association of their intention to be nominated from the floor of the Annual Meeting. The Association may establish a neutral agenda and guidelines for the event. A property manager, Board member not up for election, or an election inspector may moderate the event.

- f. The Association will send out a Notice of annual Meeting with information on when polls will open and when the members and candidates may attend the Annual Meeting and/or Board meeting to witness the review, count and tabulation of ballots by the inspector(s) of election.
- g. Other meetings of the members may be noticed and held by the Association to vote on matters which are proper for member vote. For member votes that are to be conducted pursuant to the secret ballot process described herein, the meeting notice sent by the Association will include information on when polls will open and when members may attend a membership Board meeting to witness the registration, review, count and tabulation of ballots by the inspector(s) of election and the date(s)/time(s) of access to common area meeting space available for candidates/advocates for purposes reasonably related to the election.
- h. Membership petitions for recall, together with the requirement for prompt notice and scheduling of a special membership meeting to comply with the Corporation Code, may leave the Association with insufficient time to organize and conduct a pre-ballot nomination process. In the event of such a recall meeting, all nominations will be taken from the floor of the recall meeting contingent upon the recall vote being successful. Members mailing in ballots will be permitted to "write in" possible candidate(s) on the ballot in anticipation of their nomination from the floor. "Reverse cumulative voting" will be used for any recall of fewer Directors than the entire Board. (Corporation Code 7222.)
- i. Other business at the Annual or other membership meeting, such as approval of minutes, motions to adjourn and other parliamentary procedures required by a recognized system of parliamentary procedures, may be conducted by a show of hands, voice vote or other method.
- j. All membership meetings and votes will be conducted in accordance with the Association's governing documents and California Corporations and Civil Codes, as appropriate.
- k. Members will have one vote per unit/lot/parcel owned.
- l. Each member, for each unit owned, shall have the number of votes equal to the number of Directors to be elected. No fractional votes are permitted.
- m. If allowed by law, any vote (except for a vote on election of Directors) to be conducted pursuant to the secret ballot process described herein may be conducted by mail only without holding a membership meeting for voting purposes. A membership meeting must be held for election of Directors. Further, the inspectors may now count and conduct registration of received envelopes prior to the meeting, tabulation of votes may only be

performed by inspectors(s) of election in the open at a property noticed open meeting of the member of Board.

3. Inspector(s) of Election

- a. The inspector(s) of election (“Inspectors”) will be selected and appointed by the Board of Directors at an open Board meeting approximately 90 days prior to the date of the Annual Meeting and at the earliest convenient date prior to any other membership vote to be conducted by the secret ballot process described in these rules.

 - x) Prior to the mailing of the ballots by the Association, the Inspectors will determine the location where the sealed ballots will be mailed or delivered and where the Inspectors will maintain custody of the sealed ballots until after the tabulation of the

vote by the Inspectors. Unless the Inspectors select otherwise, the Association's Management Company will be the default choice to receive the sealed ballots on behalf of the Inspectors. Management will not open, review or count the ballots.

- f. The Inspectors may appoint additional personnel to assist them in their duties, including registration, counting, tabulating and verifying signatures, but the Inspectors will oversee and be responsible for all actions of such personnel and such personnel must not be in the category of persons or entities, in subsection c above, that the Board may not select.
- g. If there are three Inspectors, the decision to act must be by a majority of the Inspectors and is effective, in all respects, as the decision of all.

4. Secret Ballot Procedures

- e. The sealed Envelope #1 is then inserted by the voter into a second-preaddressed envelope (Envelope #2) which should then be sealed. In the upper left-hand corner of Envelope #2, the voter prints and signs their name, address and lot, parcel or unit number that entitles them to vote. Envelope #2 may be mailed or delivered by hand to the preaddressed address specified on the envelope.
- f. The owners of multiple properties must submit separate sealed ballot envelope (#1 and #2) for each property.
- g. The number may request a receipt for hand delivery of the sealed Envelope #2 to the location selected by the Inspectors. Any member desiring a receipt for mail delivery should send the ballot by certified mail, return receipt requested, to the location selected by the Inspectors.
- h. Only the Association's ballots in the form which are sent out to the membership by the Association or are provided by the Association at the membership meeting will be accepted by the Inspectors.

5. Proxies

- a. Proxies will be accepted only if first filed with the Secretary and then only if Inspectors determine the proxies meet the requirements of the Bylaws, California Corporations Code and California Civil Code.
- b. Any instruction given in a proxy that directs the manner in which the proxy holder is to cast the vote must be set forth on a separate page of the proxy that can be detached and given to the proxy holder to retain.
- c. The proxy holder must be present in person at the meeting and shall cast the member's vote by secret ballot.
- d. Any member who gives another person his/her proxy does so with the full understanding that the Association and Inspectors will not be responsible for ensuring that any proxy holder votes in accordance with the proxy holder's direction.
- e. A member may revoke his or her proxy by casting a secret ballot by mail or delivery to the Inspectors or as otherwise provided in Corporations Code Section 7613; provided the revocation is completed prior to the Inspector's receipt of a ballot from the proxy holder and not later than the time that the polls are closed by the Inspector.

6. Registration of Secret Ballot at the Meeting

- a. Once a member mails or delivers his/her ballot that ballot can not be changed or revoked.
- b. Only one ballot may be submitted for each address. Once a member submits a ballot with regard to a particular address, no other ballot or proxy may be submitted for the property. Should more than one ballot be received for any property, the first ballot received will be the one counted. If it cannot be determined which ballot was the earliest received, no ballot will be counted for that property except one ballot for quorum purposes only.

- b. Any member may not revoke any previously mailed or delivered ballot; if the Inspectors confirm that a ballot was not received by the Inspectors the member may attend the meeting but will not be given a new ballot to vote at the meeting. If the Inspectors confirm that ballot was not received the member will be given a ballot and two envelopes to mark, seal and complete and cast in secret at the meeting.
- c. Members voting in person at the meeting must still use the Association provided ballot and Envelopes #1 and #2 and Envelope #2 must be filled out, sealed and signed. Failure to use the two envelope system at the meeting may lead to invalidation of the ballot cast at the meeting and shall prevent the ballot from being counted at any adjourned date if the meeting is adjourned for lack of a quorum.

9. Registration of Proxies/Determination of Quorum

- a. If a person brings proxies to the membership meeting, the Inspectors will review and make all necessary determination regarding those proxies, including the validity of those proxies.
- b. The Inspectors will determine based upon the count of the number of members voting (as appropriate) in person, by proxy, or by mail, as shown on the registration list, that quorum has been obtained.
- c. If a member has cast a ballot by mail or delivery to the Inspectors, that ballot will supersede and control over any proxy submitted, regardless of date.

- b. The ballots will be counted during a properly noticed open meeting of the Board or during a membership meeting. The inspectors may request that any meeting be recessed to allow the Inspectors to continue the counting and tabulation of the ballots at another time. Notice of the recessed meeting will be given as required by law. The Inspectors will continue to maintain custody of all ballots until the counting and tabulation is complete.

11. Observation/Custody of Ballots, Etc.

After the transfer to the Association, the ballots, envelopes and registration list shall be stored by the Association in a secure place for no less than one year after the date of the election.

12. Privilege Suspensions

Management will provide the Inspectors with a list of those members whose rights and privileges have been duly suspended after notice and hearing and who are not entitled to vote at the membership meeting. The Inspectors will take appropriate steps, including making notations or otherwise marking the membership registration list and/or sealed ballot envelopes, to not allow suspended members to vote at the membership meeting or in any other votes.

13. Consultation With Association Counsel

The Inspectors will have the authority to confer with Association legal counsel in advance or at the meeting. Legal counsel represents the Association and does not represent the member, Inspectors, Board members, Management or any other person. By the adoption of these rules, Association legal counsel has been authorized by the Board of Directors to provide advice to and to waive the attorney-client confidential communication privilege as determined necessary or prudent by the attorney to inform and advise the Inspectors regarding issues related to the Inspectors performing their duties for the association. The inspectors may confer with Association legal counsel outside the presence of the members.

- iv) If these requirements are not met, the envelope/ballot will not be valid for any purpose, including quorum, and will not be registered.

15. Tabulation, Counting, Inspectors' Conduct, etc.

- a. Once the balloting has been closed by the Inspectors, the Inspectors may then open the sealed envelopes and begin the counting and tabulation of the ballots. All (sealed) inner (#1) envelopes will be set aside upon opening the duly registered Envelopes #2; Envelopes #1 will then be opened and the ballots tabulated.
- b. All votes shall be counted and tabulated by the Inspectors in public, at a properly noticed open meeting of the Board or of the members, after verification of a quorum of the membership.

Said vote shall be conducted in accordance with the procedures herein, the extent they are applicable to a run-off vote. No previously cast ballots or proxies will be used at the meeting to break a tie.
- d. Within 15 days of the election, the Board shall publicize the results of the election in a communication directed to all the members.
- e. In the event of an election challenge and upon receipt of that written request from a member, the Association will make the ballots available for inspection and review by Association members or their authorized representatives. In order to protect the security of the ballots, one or more Association representatives must be present during such review. The Association will not make proxies available fore review or inspection.
- f. Any recount shall be conducted in a manner that shall preserve the confidentiality of the vote.

17. Access to Association Facilities and Communications/Use of Association Funds.
