I can not believe we only had 20% of our home owners come to the most important meeting ever held!

18 months ago you asked a new board to do something about your dues. It is now possible to do something but you MUST vote on it!

Don't you want your dues to drop to \$125 so your house will sell for \$20,000 more? THAT is what your vote can do.

We have been giving notice that the meeting to do this would be in the last week of Feb. for at least 3 months. The meetings took place and we did not get enough people to make the decision.

This is too important to ignore so I will be holding another set of meetings on your behalf. You only need to attend one of them.

Please take an hour out of your busy schedule and attend a meeting!

I will have my garage door open and ready to give you the information you need to make a decision on the following days and times;

Wed. March 1 at 7 P.M.

Sat. March 4 at 4 P.M.

Sun. March 5 at 4 P.M.

1097 Santo Antonio Drive, #62

If you do not attend and vote, the board can not do what you asked them to do. Please come and vote!

Thanks,

Chet Bruce
