Phase I – Tues. Aug. 12th from 7:30 am until noon on Wed, Aug. 13th.

Phase II – Fri. Aug. 15th from 7:30 am until noon on Sat, Aug. 16th.

We will try to minimize your inconvenience, but ask for your support on the following on your scheduled day(s).

- 1 - Vehicles will not be permitted to enter/exit the scheduled sections. If you plan to use your vehicle, please remove prior to 7:30 am. You will not be allowed to exit garages, carports or parking areas once we have begun sealing.
- 2 - Shut off irrigation systems near drives/parking areas. No washing of vehicles or hosing down of garages, carports, etc. Pavement must be dry for application of seal.
- 3 - No rollerblading, bicycles or scooters will be permitted.
- 4 - No vehicular deliveries will be allowed while your section is being sealed.

The seal material is black and sticky and can be tracked into your homes, garages and concrete areas.

Damages caused by driving in or out will be charged to the owner for repairs needed.

It is the responsibility of all owners to notify their tenants, family members, guests and deliveries of this schedule.

**If you are towed, call Cortez Towing 951-361-3565
for information**

In case of inclement weather, we will reschedule & you will be notified of that date.
We thank you for your cooperation and look forward to serving you.
